

Incentive activities in Prague

.....lets have fun

Planning a company event or inviting your clients for a trip and you need some special activity to arrange, so people have fun and will talk about the trip event after few years?

Let us help you with some suggestions of the unforgettable activities

Most of the suggested activities take place in Prague, so people also get to know the city while accomplishing different tasks.

The listed activities and only suggestions, the possibilities are unlimited :-).

You just have to tell us what is the goal of your event.

Apart from the activities, we can also help you with accommodation, local transfers, restaurant bookings and many other.

....a bit different transportation

There are many options for transportation in Prague, we can arrange a minibuses, coaches, limousines..., however maybe you want to surprise your guests, customers or employees and arrange something special and different.

Among others, we can recommend a transfer with Trabant— famous car from the Easter Germany time, old Skoda 120 – famous Czech vehicle, that almost every family in 80th had or even old timers.

You may as well want to enjoy the ride in the historical tram and admire the beauty of Prague while enjoying glass of sekt in a „public transport“.

HISTORICAL TRAM

You can order the historical tram for example for the transfer between your hotel and the dinner venue. You can order small refreshment, welcome drink or other drinks during the ride.

The route we usually choose for the ride is through the historical center, so they clients will also get to see the city in their otherwise very busy program.

We can arrange a guide in different languages.

OLD TIMERS

If you want to surprise your clients or colleagues, take them for a ride through the city in the Old timers. It is really unforgettable experience.

The car will take you through the main important sights of the city to your destination. You can also book the car as a transfer to the restaurant or meeting or you can just order a special sightseeing tour.

It's really cool and it looks very good. :-)

Trabant Rally

Funny race in the Prague city street with old-fashion Communists cars originally from East Germany, with famous "Trabant". Start of the rally usually from the hotel, after the short briefing we divide guests into small teams of three members.

Every team gets map of Prague, road books, digital camera, trabant car history booklet and own Trabant car with driver. The aim of the rally is find three checkpoints in Prague, clients help with navigation - on the checkpoints we do funny games such as sing a song, make an action photo with trabant etc.

On the last checkpoint is time for driving lesson with trabants, members might try to drive car on their own. Afterwards we offer more games, just like load the carriage, blind slalom, push the car without engine and many others. There can be only one best Trabant team!

The best team gets prizes - little models of trabant cars.

Skoda Rally

Let us drive skoda cars on our own! We offer funny race in the country side around Prague with old-fashion Skoda cars from 80ties. Start of the rally is usually on the edge of Prague, here we welcome and brief the group. Afterwards we create teams by four participants. Every team gets road book, local map, GPS device, game instruction, Skoda car history booklet, digital camera and mobile phone with emergency numbers.

The aim of the rally is find several checkpoints on the route (40-50km), on the route teams should make photos, compete in funny games such as blind slalom or push the car, contact inhabitants asking them for bonus questions and may others. The rally is not measured, points are more important!

Team with highest score wins and gets prizes - little Skoda models.
